Tnx Megan. + Tom C. and Khanna for help with #2.

We defer to the SAB on question 2: On what day did EPA inform the members of the panel that it would be dissolved?

Hi Carolyn, how do you want to handle?

Hi. I see this online (Integrated Science Assessment (ISA) for Particulate Matter) at <https://cfpub.epa.gov/ncea/isa/recordisplay.cfm?deid=341593> and I have few questions about it.

Is this part of the five-year review of the PM standard, as called for in the Clean Air Act?

Is this draft the work of the PM panel that EPA has said will no longer be required to conduct reviews? On what day did EPA inform the members of the panel that it would be dissolved?

Thank you.
